### From Fiumicino Airport (FCO) to hotels and FAO

#### ***Taxi***

You can take a taxi from the airport to your hotel. Official Rome taxis are white with an identification code on the door, and have a taxi meter. Inside, on the left door of the back seat, there is a plaque indicating the license number and the name of the driver or of the taxi company of which he is a member. The cost is exactly Euro 48.00, for transfer from Fiumicino Airport to the centre of Rome – within the walls – and also in the reverse direction from the centre to Fiumicino Airport. The price includes the cost of luggage and transport for a maximum of four passengers. [<https://www.adr.it/web/aeroporti-di-roma-en-/pax-fco-taxi>]

#### ***Train***

When you arrive at Fiumicino Airport (FCO) in Rome, you can take the regional train to Roma Ostiense Station, which leaves every 15-30 minutes. Take this train in the direction of “Fara Sabina”. The ticket will cost Euro 8,00, and the duration of the trip is about 35 minutes (with several intermediate stops). The Ostiense train station is the closest to FAO and it is connected to the “Piramide” Metro stop. From here, FAO is one Metro stop away at the “Circo Massimo” Metro stop.

Alternatively, there is another train called the “Leonardo Express” which connects directly from Fiumicino Airport to Roma Termini (the main train station in Rome). The cost is Euro 14,00 and the duration of the trip is 30 minutes with no intermediate stops. The Termini train station is connected to Metro line B (3 stops to “Circo Massimo”) and Metro line A.

Please note that if you take the train, you must make sure to validate your ticket by stamping it in the machine before boarding the train.
